D.O. No. F. 50-39/Pol. dated 3rd September 1940 enquiring whether it is proposed to bring the Act into force in the near future.

The Residency want to know if there has been a change of policy in regard to this Act and whether it is proposed to bring the Act into force in Mysore in the near future. It is suggested that if it is not so intended then the enactment of similar legislation in the C & M Station could with advantage be postponed.

Reference is invited to the Dewan's remarks at the R.A. during discussions on this Bill that the Act would not be put into force immediately.

MYSORE MOTOR SPIRIT TAXATION BILL.

My Dear Narayana Rao

Please refer to your demi-official letter No.P.1223/Legis dated the 28th August.

2. The Resident would be glad to know whether it is proposed to bring the Mysore Motor Spirit Taxation Act into force in the Mysore State in the near future, since he understood that there was no immediate intention of doing so. If there has been no change in policy in regard to this Act, the Resident feels that in view of the rising prices of all commodities in addition to petrol, the enactment of legislation in the Civil and Military Station without the intention of putting it into force at present, would be liable to create a certain amount of alarm without serving any useful purpose.

Yours sincerely
